Community Care

Empowering you to live at home

"Volunteers Grow Community"

As Winter melts away and Spring begins to appear, gardeners are excited to begin work in their gardens. Perennials that have been so carefully tended to pop up and bloom into beautiful reminders of hard work the year before. At Community Care Peterborough, we are excited to bring to light all the hard work our volunteers have done throughout the year.

Each spring, we take the time to pause and publicly thank our 900+ volunteers for their dedication to Community Care. These volunteers have worked tirelessly to help ensure that our clients remain independent in their own homes....where they want to be. Volunteers are out rain or shine, hail or snow, to deliver meals, drive clients to important medical appointments, visit with them, install personal distress alarms, provide reassurance checks, health and wellness programs, and much more.

As our client base grows, so does our need for volunteers. This dedicated group of individuals has assisted Community Care to serve more clients, by helping with word of mouth recruitment. This is how our volunteer compliment grows. This is how our community grows: by supporting each other.

Please join us as we publicly applaud all of the Community Care Volunteers - Volunteers Grow Community!

If you would like to learn more about Community Care or would like to become a member of our volunteer team please contact 705-656-4589 at Apsley, visit the office at 168 Burleigh Street, or our website at www.commcareptbo.org.

Peggy Downey,
Community Development Coordinator 656-4589

Editor's Note: Peggy also shared that North Kawartha has about 60 volunteers and 190 clients compared to the county-wide collection of 900 volunteers and 4,000 clients who are engaged with Community Care.
