Trinity United Church

Many churches would not exist without volunteers. At Trinity we have members who volunteer their time to do much of the work. What would we do without our treasurer, secretary, organist and those who prepare the sacraments? We also have members who do weekly cleaning, maintenance and water testing. Back in time, when church attendance was much greater, people were compensated for many of these tasks. Now some jobs are too great or require skilled workers, and must be done by outside contractors. If this is too costly it can be a heavy burden on some churches. At Trinity we have managed to survive several of these which include a new roof, water purification system, and major electrical work. Thanks to volunteers, Trinity United is open each Sunday and welcomes everyone to our morning worship service.

Service begins at 11.00 am. **All welcome.** www.trinityunitedapsley.org

Letter to the Editor

Appreciation

The July issue of the Apsley Voice was a pleasure to read. Better than usual articles and splendid colourful pictures brought out the life of Apsley as never before, at least to me.
