THE BRIDGE REPORT

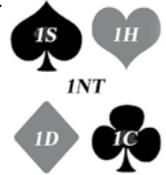

by Bob Sutton

Is Bridge an addiction in Apsley, or is it my coffee? The reason I'm bringing this up is that you can judge for yourself. One lady walked in with a black eye and a cut, she had tripped and fallen, and a man arrived with a sinus problem, another lady had fallen and broken her thumb; then, low and behold, a chap with his arm all cut-up comes in. I was beginning to feel left out. All of this just goes to show you how players can come to play Bridge for three hours and forget about their daily problems, relax, drink coffee and eat the delicious snacks people bring in.

By the way, if you have trouble holding thirteen cards due to a broken

thumb or finger, I have a card rack to place them in.

So, if you think you would like to be a part of our Bridge group, come on over to the NKCC and watch, learn, or play on Fridays from 1 to 4 p.m. But please remember, no sticky buns and don't trump your partner's Ace!

For further information, please call Bob at 705-656-9401.
