

On the Water with Rick Daniels

Fishing is like a box of chocolates ...

... as as referenced by the photo below.

A few weeks ago, we were out on a Musky Charter on nearby Chemong Lake and one of the guys hooked onto a Musky about an hour into the trip. It was just a small one, about a *30 incher*.

Afterwards, I mentioned that sometimes we are pleasantly surprised as we occasionally latch onto a nice bass or wall-eye while Musky fishing.

Not an hour passed by and another fisher, Jonathan, hooked onto a monster bass! *It was over eight pounds and it fought just like a Musky!* What a great and nice surprise!

Happy Fishing!

Do You Wanna Sing?

A follow-up to an article which originally ran in July.

Now that the "Cottage Season" is nearly over, things in our area for 'year-rounders' are returning to normal.

We are looking for something to occupy us in the Fall, Winter and Spring.

Once again we are seeking about a dozen more people who like to sing and would like to be part of a group, as yet un-named.

Joining this group would require a commitment of one morning or afternoon per week, (2 hours) combined with a willingness to learn to sing in harmony, and hopefully in unity.

If you enjoy singing in the shower, or, when alone in your car, or you like Karaoke, you will fit right in.

Starting up a group like this takes some preparation. We have to select a repertoire, obtain sheet music (and clearance to use) and of course have a person who can conduct and teach as leader. We also want to thank those who have already applied.

If interested, please call **705-656-1585**.
