Community Care Apsley

By Sarah McCall

We have three events to publicize for October.

First, we have **Sharing Dance**, which is being held in conjunction with the National Ballet of Canada. This program actually started on September 20 at the NKCC, and it will run until early November. It is designed to add a fun element to gathering seniors together, and we will be recruiting participants from our Exercise and Falls & Prevention classes.

Secondly, **Meet Your Needs Day** (MYND) will be held on Thursday October 19, at the NKCC. Community Care along with the North Kawartha Food Bank will be giving away free items to those in need. The Lions Clubs supports this event too.

Finally, Our Canada 150 Event – **Bridging Generations / Sharing Stories**, will be on Thursday, October 26. We are still ironing out the fine details for this event, but we will be meeting with our volunteers in the morning. In the afternoon, a Trent Student will facilitate the event. We are inviting the Apsley Central public School, and anyone else in the community who is interested.
