## THE BRIDGE REPORT

by Bob Sutton

Many people who retire from a job are always looking for something to keep their minds active. There are the physical outlets such as archery, travel, bowling, ping pong and golf. But, for those who wish to remain mentally active, come out and play bridge. You can get books from the library or, better yet, visit any Bridge Club and you will be rewarded by how well you are received. To which end, you will be introduced to others who were in the same boat as you not too long ago. The quickest way to learn bridge is by playing.

At our club, if you come across something you cannot figure out,

just squirm, take a deep breath and ask for help. Eventually, the roadblocks will become less and less as you gain experience and confidence. Another thing I like to inform newbies about is to not worry about learning to score; that will all come in good time.

If you wish to learn or brush up on your bridge skills, join ABC Seniors for \$7.00 per year and come out every Tuesday afternoon at 1:00 p.m. If you would like an enjoyable meal, arrive at 12:00 noon. Please remember, the North Kawartha Community Centre is a scent-free building.

If you would like to be a part of our Bridge group, come on over to the NKCC and socialize, watch, learn, or play on **Fridays from 1 to 4 p.m.**
