## Community Care February Frolic

By Jim O'Shea

I would like to thank Sarah McCall, Coordinator of the North Kawartha Community Care program, for bringing to our Community Centre the **February Frolic** fundraising dance. The event was widely supported across the entire community, as seen by the variety of age groups who attended this event.

Community Care is a very active organization in North Kawartha offering many valuable programs for area citizens. In-home support and a variety of community services for seniors and adults with physical challenges are available for those living at home. Of special importance is the *Meals on Wheels* program: frozen meals are delivered by volunteers at a nominal cost to those who are in need of support. Transportation services are also available to assist clients with attending various appointments.

Finally, the volunteers and businesses in the community should be recognized for their contribution to the success of the *February Frolic*; as they made it possible for Community Care to raise funds to assist the needy. Those in attendance especially enjoyed purchasing an arm's length of draw tickets in the hope of having one or more of their tickets drawn. The \$100 gasoline prize bag appeared to draw the attention of many hopeful ticket buyers.
