

2018 North Kawartha Skating Show

Report and Photos by Jim O'Shea

On Saturday, March 17th, the North Kawartha Skating Club treated the community to an evening of skating excellence. This year, the theme was *Skating Through A Time Machine*. It was most enjoyable to watch the Learn to Skate, Intermediate, and Senior Skaters take the audience into the future. Throughout the evening, as shown in the photos, the skaters demonstrated their skills individually, in pairs, and small groups.

Enthusiastic parents, grandparents and a most supportive community filled the seating area and left little standing room for those arriving at the last minute. It was very obvious that every skater had worked tirelessly to improve his or her skating skills in order to provide the best show for everyone. Thank you to the many volunteers, arena staff, coaches, and parents for their support of the North Kawartha Skating Club. ***A special thank you to every skater*** for an energetic and inspiring performance. The club's head coach, *Daina Greene*, is to be especially thanked for providing her skating expertise and considerable volunteer time to support our youth.

Note: Low lighting for the show affected the available photo quality.
