

Apsley Lions

April 2018

By Brenda Lenson

February and March have been relatively quiet for the Apsley Lions, we kind of take a breather after the Winter Carnival before we get down to work on planning upcoming events. As I write this, it's still a week away until our Annual Easter Egg Hunt in the Lions Park. Unfortunately, Easter is early this year, so fingers crossed that some of the snow will be gone and the weather will be more spring like than it has been. The Easter Bunny says he is still going to be there regardless of weather!

Plans are now underway for the Annual Giant Indoor Flea Market on Saturday, July 21st. We will start to take donations of your gently used items starting on Saturday, May 19th from 9:00 am to noon in the Lions Park. **Please do not leave items in the park when we are not there to accept them.**

We would also like to remind students, that if you are graduating from high school or continuing your post secondary education, the Lions have a scholarship that is available for local residents. If you are interested in applying for these scholarships, please contact one of the Lions members for an application.

Upcoming events:

- **Mother's Day Brunch** – Sunday, May 13th
- **Flea Market Drop-Off Days** – Begin on Saturday, May 19th and will continue every Saturday until the Flea Market in July
- **Canada Day & Fireworks**– Sunday, July 1st
- **Giant Indoor Flea Market** – Saturday, July 21st
And ...
- **Bingo** – Every Wednesday evening at 7:00 pm at the North Kawartha Community Centre. Come on out and have some fun and who knows you might even win the jackpot!

Apsley Health Care - Correction

Recently, a patient contacted Doctor Rayes to setup an appointment. On the phone, the doctor informed his patient that he was not taking appointments anymore as he no longer had a license to practice medicine and prescribe medications.

So, contrary to what was announced in the Apsley Voice in June 2017, it is clear that *now* Dr. Rayes has fully retired and is no longer able to see patients or practice medicine in North Kawartha.
