Kids Fishing Derby!

The second annual Chandos Lake Kid's Fishing Derby held on Saturday July 14th was another memorable event. There were 96 registrants that participated in a fun filled day.

The weather was warm and there was a pleasant cloud cover in the skies over head. The only thing bigger than the 24.5 inch pike caught that day were the smiles on the kid's faces. There were plenty of activities to keep both the young and the old entertained.

From the OPP Marine unit display, a Taxidermy exhibit & fish cleaning demonstration, Love your Lake exhibit, Birds of Prey with a display and talk about their exotic feathery friends, and of course the BBQ with free hot dogs and pops for the kids there was more than enough to keep the crowd happy.

To finish the day off there was an amazing prize table with a prize for every participant. It was a terrific day where the young anglers got to experience the joy of an outdoor activity, while enjoying nature, and learning about the environment.

A special thank you goes out to Lakeview Cottages & Marina for allowing us to host this fabulous event on their property. We would also like to thank all the generous sponsors and hardworking volunteers that helped to make the day so extra special.
