The Peterborough Ex Marks the Spot!

This year marks the 173rd Annual Peterborough Ex. Running from August 9 - 12 it is a jam packed 4-days of family fun and discovery. The entire schedule can be found at PeterboroughEx.ca. Admission for all four days is \$10 per person; visitors don't have to choose which day - come to all four!

New this year the Ex has launched special Escape Maze challenge; where kids and adults can solve challenges and puzzles to overcome and get clues to solve the daily puzzle. Each day visitors will have a new adventure to explore with prizes to be won daily! Participation is free with admission.

Returning this year is the Dodge Ram Rodeo Tour; watch real cowboys and cowgirls ride bareback, barrel ride, bull ride and saddle bronc ride. Following the rodeo there's a Wolf/FRESH dance party so grab your dancing shoes and plan for an energy filled Friday night.

The President's Choice SuperDogs are also returning with shows all weekend long. It's the "Most Fun on Four Legs" and features some of the most talented of our furry friends as they race through obstacle courses and show off their agility, speed and strength.

Also returning is Ontario Xtreme Cowboy which challenges both the horse and rider to maneuver through a series of trail and farm-based obstacles demonstrating both horsemanship and speed.

The Ex wouldn't be the Ex without World's Finest Midway and the Agricultural Exhibits. Each day, starting on Thursday, farmers showcase their livestock, produce and crafts. Some of the main attractions include the beef show, dairy show, poultry, heavy and light horse shows and home-craft displays. This event often serves as a proving ground for contestants in the Royal Winter Fair so there's lots of good competition to be seen.

From Thursday to Sunday there are fun things to discover and do; face painting, petting zoo, and interesting food including BeaverTails!

For the gearhead, there are equipment displays showcasing tractors and implements of all sizes. As well, returning is the car show which brings out collectors and enthusiasts alike.

Admission for the 4-days is \$10 per person which gives you access to all four days; come and go as you can. There is special advance pricing and pay-one-price passes for the midway available.
