- ▶ Challenged the proposal to close the Apsley Ambulance station (CHEX Television News May 18, 2016)
- ▶ Demonstrated "critical thinking" per County Warden (reported in Peterborough Examiner Feb 16, 2017)

We need to establish a framework for the future !

- ▶ Improve bylaws to protect our lakes and homeowner rights within the revised Provincial Planning Acts
- ▶ It's wonderful that we have a doctor, but we still need walk-in health service for 12,000 seasonal visitors that are vital to our economy
- ▶ U-TUBE videos are a good start, but council meetings could be even more transparent.
