***An Instrumental Request for Help***

Apsley Central Public School has offered an instrumental music program to our Grade 7 and 8 students for the past number of years using instruments which were borrowed from Norwood Secondary School. Next year, Norwood S.S. will have Grade 7/8 and require their instruments back. We have greatly appreciated the use of them, but unfortunately we are now without instruments for our program.

At this time, I am calling upon our community for donations of instruments (e.g., trumpets, saxophones, flutes, clarinets, trombones) and/or financial donation to help with the purchase of new or used instruments or repairs to donated instruments. If you have any questions, please contact the Apsley Central P.S. office at 705-656-4231.

**The staff and students appreciate your continual support for all of our programs.**

K. Brohart, Principal
