

Provincial Election Information

Peterborough - Kawartha

For every election, the Apsley Voice provides information about the local candidates who have been nominated. This year, North Kawartha is in a new riding **Peterborough - Kawartha** and there are seven candidates. They are:

- **GIANNE BROUGHTON**
Green Party of Ontario
- **SEAN CONWAY**
Ontario NDP
- **JACOB WILLIAM CURRIER**
Libertarian
- **JEFF LEAL**
Ontario Liberal Party
- **KEN RANNEY**
Stop Climate Change
- **ROBERT RODDICK**
Trillium Party of Ontario
- **DAVE SMITH**
PC Party of Ontario

Local voting will be at various locations - community centres and schools and due to the limited list of voters, ballots will be counted by hand, which has been the traditional method for previous elections. In larger centres, ballots will be scanned and counted by voting machines, with the ballots retained for manual counting in case of equipment failure or a requirement for a re-count.

On subsequent pages, the Apsley Voice will provide profiles for candidates of the major parties in the Peterborough-Kawartha riding.

Voting Day is Thursday, June 7.
