THE BRIDGE REPORT

by Bob Sutton

A previous lady partner of mine called out of the blue from Florida to say *Hello* and asked how the Apsley Bridge group was doing. When I replied, "Great", she then said, "**You are all Trumping Father Time.**"

When playing on defense, do not lead an ace unless you have the ace and king. Lead a low card of your partner's bid suit – unless you have the king and queen.

When playing a suit contract (on offense), take a serious look at leading trump if you feel it will not hurt you or your partner. If it is a no trump contract, lead the fourth from your longest and strongest suit or, if your partner has bid, then lead your part-

ner's bid suit. Also, do not lead any suit the opposition has bid.

Finally, when you are the bidder and your partner's hand is on the table, take a moment to strategize and remember to count your winners in no trump and losers in a suit contract.

If you would like to be a part of our Bridge group, come on over to the NKCC and socialize, watch, learn, or play on **Fridays** from **1 to 4 p.m.**
