

Glen Alda Seniors ... continued from page 12 ...

The responsibility for this is anyone who wants to come has to bring a contribution for the meal. Bev and Sally (I believe) are co-ordinating this taste fest. Peggy and Mike will be the chefs of choice for our second taste delight of November. I am not sure as of this writing what is on the menu, but I expect that it will be a taste delight as always.

Please remember that we are a friendly, active, and open group, who will welcome you should you wish to join us for one of our get-togethers, just call our President, Barry at 705-565-1850.
