## 100 Women Peterborough Donates Again

The recently launched 100 Women Peterborough group raised over \$11,000 in under one hour for The Warming Room/ One Roof at their meeting on September 18, 2018.

100 Women Peterborough now boasts 157 members that contribute to different organizations on a quarterly basis. The collective donations are able to impact an organization significantly as The Warming Room noted when they received the contribution to assist with programming in Peterborough.

Warming Room Community Ministries (WRCM), is an organization that works to challenge homelessness, food insecurity and social exclusion via four main programs. The Warming Room Emergency Winter Shelter which provides shelter for an average of 30 individuals who suffer from homelessness, One Roof Community Centre which serves over 8,500 meals a month, the HOME program that provides supportive housing for those suffering from chronic homelessness and One City Peterborough, a partnership with the DBIA which provides outreach to the downtown core as well as jobs for those with traditional barriers to employment.

Members of 100 Women commit to donate one hundred dollars at each of the *four events* hosted throughout the year. The aim is to help women learn about the multitude of different causes in the community, help people in need and join other like-minded women to empower and multiply the impact of their contributions.

“It was incredible to see how quickly we were able to impact The Warming Room with even more members than the last meeting,” says one of the founding members Rose Terry. “We are so grateful for the people in our community that continue to spread the word.”

Youth Unlimited received \$12,500 from the group at their June meeting which allowed them to renovate their Brock Street location including a brand new kitchen, garage door and other updates to the space.

One hundred percent of the funds raised by the membership will be donated to four non-profit organizations determined by the membership throughout the year.

Women that are interested in joining the group are encouraged to reach out via the website: [www.100womenptbo.ca](http://www.100womenptbo.ca)
