THANKS FOR THE MEMORIES!

Our whole family have loved and enjoyed the forty years we have owned this beautiful bit of land on Jacks Lake, we have memories for a life time.

Even though we technically lived in Havelock-Belmont-Methuen, with the last 19 years of full time living in Apsley, has made it our town.

I want to thank all the people who have made this a great trip, we have had many, many good times, some sad times as is the way of life.

We have made good friends in the ABC Seniors, Apsley Badminton and Ping Pong Clubs and build a new Legion Hall, Ladies Games Day, taking part in the Lions Parades, and Summer and Winter Fests gosh so many memories. Trying to save the Old Community Centre, Thursday Night Darts and Ladies Golf at OwenBrook.

Aiming for an Eldercare Community to allow the older residents the option of staying in their home town, it was a futile but great learning experience,

The Food Bank, Glen Alda Sewing Group, the Library with staff to help we who lack computer knowledge, The Legion with their Darts, Dances and

games days, Lunch and suppers dates, Jacks Lake Theater Group and Community Care Apsley with meals on wheels and home visits.

These are all clubs with good causes, where many, many people give many hours of service which makes a town "Home".

We will miss all of the folk we have made these memories with, and also our Dog Walking Buddies with the most-healthy and relaxing part of each day.

Thank you a whole blinking lot!!

Helen, Barrie, Bentley and family.
