A Note to all Residents:

I hope everyone enjoyed summer. The weather was fantastic and the forecast looks equally good for fall.

I am excited to see so many people showing interest in the upcoming municipal election. However, it saddens me to see the polarizing behaviour of a few candidates and others within our community who are providing misinformation online and in the press to impact the election.

As a small community, I think we should opt for cooperation, not division. Rather than seeing ourselves as lake residents and village residents, we should all think of ourselves as belonging to the same great township — a township we all want to see thrive well into the future.

As a leader, I strive to work with people not against them. This is the best way to build a strong community, and forge ahead with the priorities we all share: better access to health care, better environmental protections and better public safety.

When you vote, and please vote, think about who truly has the entire community's best interest in mind. It is up to you to determine what kind of community you want to live in.

Please vote using the internet or telephone starting Tuesday, October 9th at 10:00 a.m. up to and including Monday, October 22nd until 8:00 p.m.

A Voter Help Centre will be available at the North Kawartha Township Office at 280 Burleigh Street, Apsley with internet and telephone access for electors that do not have access to these connections or would like assistance to Vote. Both branches of the North Kawartha Library offer public internet.

Kind Regards,
Rick Woodcock, Mayor, North Kawartha

Thanks to a Good Samaritan

by Donna Pritchard, Wolf Lake

My husband, Merv, lost his gold crucifix and chain while we were on vacation at our cottage on Wolf Lake. His parents, who are no longer with us, bought it for him for his 21st birthday, 38 years ago. It was very sentimental and he was devastated when he lost it.

Some wonderful, honest person found the chain and crucifix in the Apsley IGA parking lot and turned it in. We wanted to send a shout-out to this amazing person and thank them from the bottoms of our hearts. You have no idea the impact your honesty and kindness has made. It warms our hearts to know there are people like you out there.
