Corrections

Re. Last Month's article "Living the Life in North Kawartha with the CLPOA" by Chris Anderson.

After the paper went to print last month, Chris contacted the Apsley Voice with a correction related to his claim that former CLPOA presidents had a habit of running for council.

During the past two decades, only one former president ran for council. Jim O'Shea was acclaimed in Ward 1 in 2014 and he will be acclaimed again in 2018. Rick Woodcock was a former Vice President of the CLPOA.

With respect to alleged endorsements, there are a few corrections and clarifications:

1. The CLPOA has not endorsed an entire slate of Candidates since 1973, when there was concern of over development of the Chandos Lake Estates.
2. No members of the current Council are on the CLPOA Board of Directors nor are they actively involved in the running of the Association.
3. The CLPOA Board of Directors endorsed Rick

Woodcock in 2014 and they have endorsed him again for his run for re-election campaign as Mayor in 2018.

In the Editor's Notes about "Living the Life ...", there was an error about the ratification of new board members at the CLPOA 2018 AGM. The minutes clearly state that a new Treasurer, Julie Smith, had her position ratified by the membership at that meeting.

The Apsley Voice strives for accuracy and it regrets these errors.
