

## Paudash Trail Blazers – Fall Update

By Rob Dingwall and Brian McKinlay

Happy end of summer from the Paudash Trail Blazers Snowmobile Club! It is now time to turn our attention to fall activities and winter fun!

We have lots of trail work and brushing on the calendar and things have already started happening. This past summer has seen the approval of our Ministry of Tourism funding request for improvements to the E108 trail, plans for a landowner appreciation dinner following our Annual General Meeting and the final MNR approval for the E trail reroute south of Harcourt. Unfortunately, this approval was received too late to qualify for funding this year, so we are exploring other options to try to get it open for this season.

Please follow us on Facebook for ongoing updates on all of these projects.

We have had good success with more local involvement on our Executive and with input from Todd, Don and Trevor and also Gerald's hard work on the E trail and 108 projects has been fantastic.

We are planning to send out a schedule for the fall for work days on the trails to our e-mail list. If you wish to be included on these e-mail notifications please feel free to send your contact e-mail to [volunteer@paudashtrailblazers.on.ca](mailto:volunteer@paudashtrailblazers.on.ca).

We will be manning District 2 booths at the **Toronto Snowmobile Show** (October 19-21) and well as the **Peterborough Sledarama Show** (November 18) so plan to attend and discuss all

our activities and see all the news sleds and gear at these shows. Our **Annual General Meeting** will be Sept 22<sup>nd</sup> at 3:00 pm at the Royal Canadian Legion in Wilberforce and all are welcome and encouraged to attend.

Also, for more information or online trail permits, see our website at [PaudashTrailBlazers.on.ca](http://PaudashTrailBlazers.on.ca).
