

Above: MP Monsef thanking mosque peace-circle supporters during a spring flurry on March 22 in Peterborough.

Story continued from Page 10 ...

For Monsef, the March 22 event in Peterborough was seeing the words of the Prime Minister coming to life when, in reaction to the NZ attack, he said "... we need to step up and call out hate." Also that we should be "... looking to our communities for inspiration." For Monsef, this action perfectly personified Peterborough, Canada and underscored the idea that love will always win.

Searching for New Directors

The New Canadians Centre Peterborough (NCC) is seeking new members for their volunteer Board of Directors.

As the local settlement agency, the New Canadians Centre Peterborough strives to empower immigrants and refugees to become full and equal members of Canadian society, and to provide community leadership to ensure cultural integration in a welcoming community.

The NCC serves more than 800 newcomer clients annually and takes an active role in community development. Throughout the past two years the resettlement of Syrian refugees was a main focus of the Centre, but its programs include settlement, employment and youth services, language assessment for newcomers, and community development. The NCC is one of the founding organizations of the Peterborough Immigration Partnership.

The NCC believes in diversity; we encourage community members with different cultural backgrounds and of all ages to apply, who are able and willing to give 4-8 hours per month of their time for this valuable work. We are specifically looking for volunteers with settlement, community development, finance and/or housing backgrounds for the Board and various Board Committees (Finance, Policy, Recruitment, Governance). Board members would have the opportunity to participate in fund development activities that are meaningful to them.

Please visit www.nccpeterborough.ca for more information. Interested candidates should submit a cover letter and resume including two references via e-mail by March 31, 2019 to info@nccpeterborough.ca.
