100 Women 1Q Results

On March 19, the 100 Women Peterborough group raised over \$10,200 in under one hour for the Brock Mission Cameron House, who won this funding over the YWCA and the Peterborough Public Library.

Since 1996, Cameron House, has provided short-term, emergency shelter for women with twelve beds. Since their inception, they have added eight bachelor units to the site allowing for women to pay a modest rent and customize their program to suit the individual's needs. The Life Skills program provides education and training for independent living in the future.

This will help to fund a new laundry room as well as much needed upgrades to their current facilities.
