## Knights Success Continues ...

Story and Photo by Jim O'Shea

The Knights are now into their fourth season and, when watching the Saturday, December 15<sup>th</sup> game from the balcony, I could see that the team is very competitive. Direct proof of their continued improvement is immediately shown by the shots-on-goal. There was an era when the Knights were outshot by a 2 to 1 ratio and now the reverse is true. On this night, the Knights' shots-on-goal totalled 42, as compared to 24 by the visiting Georgina team.

The stick handling capability of the Knights is impressive, and the passes are mainly precise and on target. Throughout the game, once the Knights entered the Georgina zone their passing accuracy enabled them to maintain great puck control. Also evident was that the

defense consistently positioned themselves just inside the blue line to set up their forward teammates; this enabled them to add to their shots-on-goal and point count. In addition to puck handling ability, the highly energized Knights never stopped moving. Most of their goals resulted from crisp passes to players who were well positioned to make quick redirects into the net.

This night, the Knights' positive attitude produced a well-deserved 8 to 3 victory over Georgina and they're now tied for first place in their division.

The next home game is Saturday, December 29<sup>th</sup> at 7:25pm, followed by games on Friday, January 4<sup>th</sup> at 7:25pm, and Saturday January 5<sup>th</sup> at 7:30pm.
