Alice Liberty shuffles onto a new line with her retirement.

Submitted by Marian O'Shea with photos by Jim O'Shea.

Alice Liberty has finally hung up her line dancing teaching shoes after eighteen years. So many ladies – and some men too – enjoyed her lessons at the North Kawartha Community Centre. She always showed such enthusiasm and energy, and every one of us who came week after week will remember her ever-present smile. Alice's patience was a hallmark of her lessons, as she went over and over the steps for those dancers who needed more instruction.

We will always remember the Breast Cancer fundraisers **Dancing for Hope**, where other dancers came to join the Apsley group. Christmas parties, too, were another highlight. We all have many happy memories.

On behalf of all the line dancers, **We all Thank You, Alice.**

Photos below: Alice shows the group's fundraising total as of 2015 and at the bottom is a group of dancers from Dancing for Hope.

Line dancing is a form of physical fitness that may benefit participants by lowering their blood pressure and helping with their balance. It's also a great opportunity to socialize with a group of people who all love doing the same thing.

Thank-You

Thanks to OPP Officers Greg + Mike for their help to get the two turkeys (donated by Sayers) over to the Swiss Bear Restaurant who cooked the turkeys and prepared all the trimmings for our Christmas Luncheon. Also, we have more thanks to the two officers for delivering the prepared meal to Whispering Pines on Wednesday, December 12th – which was enjoyed by all of our residents and a number of guests including the two *delivery officers*.

Also, thanks to **Rita Loyst** who coordinated this event and her small, but mighty team of helpers.
