The Tallan Creek Pottery features artist Cathy Pennaertz who creates functional stoneware one-of-a-kind pottery as seen above. You can see Cathy's work at several local events including the 2019 Chandos Art Festival at Lakeview Marina, the Old Hastings Gallery in Ormsby, Woody's Gift Shop in Apsley and the Apsley Studio Tour in September.

Also, you can see high quality images of Cathy's work on her Facebook and her Pinterest web sites or in-person at the Tallan Creek Pottery, 1684 County Road 620, just a few minutes up the road from Apsley.

Cathy pursues her art on a part-time basis where she incorporates texture, animals, engraving, stencil and stamping amongst multiple colours of clay and glaze. She is always looking for ideas to create new designs.
