

## Glen Alda Seniors ... continued ....

with Bob's help - I suspect. Unfortunately a few people still were unable to attend owing to the snow, but we did have a good turnout nonetheless. Now the second meeting of the month had Winnie and Bob, (a different Bob), cooking the main course and this was no doubt a success as usual. Sorry I am unable to be more descriptive, but I am writing this more than a week in advance of the meeting so cannot fill in the details. I will unfortunately miss it as that is the morning I have my hand operated on once more.

March ,WOW, just typing that word is beginning to make me think that spring is right around the corner once again. The month is going to start off with Pattie and Lloyd preparing the main course, which, going by previous meals, is bound to be scrumptious - just like the meals last month. The second meal of the month has been signed up for by Colin and Laureen who should be back in our clutches by then. I know they will put on a meal to remember as well. This group is very fortunate to be able to work together so well in providing tasty well balanced meals. The salads and desserts, which arrive on a pot luck basis, are the key to rounding off the menu.

Should you have an interest in attending one of our *get togethers*, just call President Barry at 705-656-1850 and try an outing with our friendly, active, and open group.
