

The CANADIAN CANOE MUSEUM

Our adult **Artisan Workshops** are now in full swing! Spend a day, or two, learning traditional skills, meeting interesting people and working with your hands.

You'll leave the workshop feeling proud of your finished product and inspired from a day of using your hands.

You'll have a new appreciation for your own creativity and talents – things you might not have known you had!

Join us to try something new. Enjoy a day, or two, learning traditional skills, meeting interesting people and working with your hands in a relaxed setting with experienced, supportive, knowledgeable instructors.

Over 25 Workshops are scheduled for 2019.

This month, there are two offerings:
