Fewer jobs and low incomes are one the most important factors shaping the quality of life for so many in our area, limiting access decent housing, healthy food or reliable transportation.

My experience as a national cultural producer has provided me with the right combination of skills and experience to grow our local economy and promote the best our region offers. The NDP will invest in job creation in the areas of tourism and community development, and put in place a new deal for rural infrastructure programs that provide long-term, predictable funding.

St. Stephen's Thanksgiving Celebration

This year, celebrate a true **Harvest Thanksgiving** at historic St. Stephen's Chandos - located at HWY 620 and West Bay Rd. See for yourself, Mother Nature's technicolour displayed on the walls. And give thanks to all of Nature's bounty adorning the windows and pews. Do join us on Sunday October 13, 2019 at 9:30 AM.

Everyone is welcome!
