

Apsley Lions

August 2019

By Brenda Lenson

School Days At Apsley Central P.S.

I wish to extend a warm welcome back to staff, parents and students as we begin our 2019-2020 school year!

Apsley Central Public School is a responsive school in a world that is ever-evolving. Education remains a fundamental pillar to the long-term success of our students. Exceptional education prepares students to lead change, create new ideas and to be critical thinkers and problem-solvers. Impactful instruction engages students in new learning experiences, which contributes to overall success.

Together, parents, educators, community partners and students work collaboratively not only on academics, but also on the essential areas of well-being.

Our volunteers remain crucial to the integrity of our school! If you wish to volunteer this upcoming year, I would encourage you to drop by the school office to complete a form.

Wishing all of our school and community stakeholders a most successful 2019 -2020 year!

Karen Brohart, Principal

Sometimes, saying the word “thanks” just isn’t enough. On Saturday, July 20th, we held our 30th Annual Indoor Flea Market. This Flea Market takes a lot of work and hard effort and takes more than just our Club to pull it off.

On Thursday, July 11th we moved everything from the Lions Park storage facilities over to the NKCC. It was our pleasure to have 30 of our volunteer fire department people show up to help! These guys and gals are truly our superheroes! We are extremely lucky to have volunteers like them in our community. We were also very fortunate to have many other volunteers show up to move items and made the work a whole lot lighter for the Lions.

We would also like to say a special “thanks” to Wally and Jillian James who come out every year and do the auction for us. They do an exceptional job.

“Thanks” also to all the volunteers who come out every morning and unpack boxes and load up the tables for our sale and volunteer on Saturday morning to help with the sale. Without you, there wouldn’t be a sale! A special thanks to Doug Clear; Jim Thacker; Sandra and Bernie Neubauer who come out and work in that hot sun cooking up burgers, dogs & fries!

“Thanks” to everyone in the Community who donated items. Every year we are always truly amazed by the generosity of you all.

“Thanks” to Mr. Don Roden of Woody’s who has generously donated a vintage boat/motor/trailer for the Lions to raffle off. We will be selling tickets on the boat at various Lions events throughout the year and will hold the draw on Canada Day 2020 in the Lions Park. Please buy a ticket from any of the Lions members.

“Thanks” to all the Lions Members who put in hours and hours of time to make sure we have another successful event.

Finally ... “Thanks” to the Community who comes out and supports us at our largest fundraiser and buys the goodies that we sell.

August was another busy time for the Lions. We did the food booth at the Jack Lake Regatta on Sunday, August 4th and the Coe Hill Fair August 23-24th. Hopefully, you had a chance to come and see us at Creekside – where we served-up breakfast, lunch and dinner!

Don’t forget bingo on Wednesday evenings at 7:00 pm at the NKCC. Join us for some fun!
